Within the framework of the share buyback offer to acquire own shares, which was published on December 9, 2019 on the website of United Internet AG (<http://www.united-internet.de>) under the heading "Investor Relations - Offer" and which was published in the Federal Gazette on December 11, 2019, a total of 8,715,524 shares have been tendered to United Internet AG until the end of the acceptance period on December 18, 2019 (24:00 hours CET).

The offer by United Internet AG related to a repurchase of up to a total of 9,000,000 shares. As the total number of shares for which the offer was accepted was below the maximum number, all offers were accepted in full. It is expected that the tendered shares will be removed from the customers' securities accounts by the custodian banks against payment of the offer price by December 31, 2019.
