A portion of EUR 170,005,704.35 shall be distributed to shareholders as a dividend. At the time of the Annual Shareholder Meeting, a total of 200,006,711 shares are entitled to receive a dividend for fiscal year 2017. This corresponds to a dividend of EUR 0.85 per share. The proposal for the allocation of unappropriated profit takes into account the 4,993,289 treasury shares held by the Company which, pursuant to Section 71b German Stock Corporation Act (AktG), have no dividend rights. The remaining amount of EUR 2,374,408,725.86 is to be carried forward.

The dividend payment shall be made by the custodian banks as of May 29, 2018, subject to deduction of 25% capital gains tax and 5.5% solidarity surcharge on this amount (total 26.375%), and also church tax on the capital gains tax where applicable. The paying agent in the Federal Republic of Germany is HSBC Trinkaus & Burkhardt AG, Duesseldorf. The withheld capital gains tax can be deducted in the course of income tax or corporate tax assessment. The withheld solidarity surcharge can be deducted from the respective solidarity surcharge assessment. In the case of foreign shareholders, the withheld capital gains tax including solidarity surcharge can be reduced according to existing double taxation agreements between the Federal Republic of Germany and the respective state. Applications for such a reduction and the tax certificates issued by custodian banks must be received by the Federal Central Tax Office (Bundeszentralamt für Steuern), 53225 Bonn, Germany, by December 31, 2022 at the latest.

Those shareholders subject to unlimited tax liability who have submitted a valid non-assessment certificate ("Nichtveranlagungsbescheinigung") from the competent tax office to their custodian bank will receive the dividend without deduction of capital gains tax and the solidarity surcharge. The same applies to shareholders who have submitted exemption instructions ("Freistellungsauftrag") to their custodian bank, insofar as the exemption amount has not already been exceeded by other capital gains of the shareholder.
