

Report of the Supervisory Board for Fiscal Year 2018

Dear shareholders,

In the following, I would like to inform you about the work of the Supervisory Board in the fiscal year 2018.

In fiscal year 2018, the Supervisory Board of United Internet AG fulfilled its legal and statutory duties to regularly advise the Management Board and monitor its management of the Company. The Supervisory Board was directly involved in all decisions of fundamental significance for the Company. The Management Board provided the Supervisory Board with regular and comprehensive reports, both written and oral, and also between meetings, about all relevant questions concerning corporate strategy and planning, as well as the associated risks and opportunities, the development and progress of business, planned and current investments, the status of the Company, its exposure to risk, the risk management system, and issues of compliance. The Management Board discussed the Company's strategic alignment with the Supervisory Board and presented it with a comprehensive report every quarter about the state of business, the development of sales and earnings, and the position of the Company and its business policy. This also included information about deviations between planned and actual figures. With regard to both content and scope, these reports met all statutory requirements, the standards of good corporate governance, and the criteria set by the Supervisory Board. The Management Board's reports were made available to all members of the Supervisory Board. The Chairman of the Supervisory Board was also kept regularly informed by the Management Board on all business activities, also between the meetings, and gave advice on questions of business policy. The Supervisory Board examined the plausibility of the reports provided by the Management Board, discussed their content in detail and gave a critical assessment.

The Supervisory Board was regularly informed by the Management Board about the internal control system, the group-wide risk management system and the Internal Audit system which it had introduced. On the basis of its own reviews, the Supervisory Board came to the conclusion that the internal control system, the group-wide risk management system and the internal audit system are fully functional and effective.

Discussion of the annual financial statements 2018 for the Company and the Group

The Annual Shareholders' Meeting of United Internet AG on May 24, 2018 elected Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft, based in Eschborn/Frankfurt am Main, as auditors for the fiscal year 2018. Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft audited the accounting system, the annual financial statements of United Internet AG, the consolidated financial statements according to IFRS and the combined management report for United Internet AG and the Group for the fiscal year 2018. As part of its audit of the annual financial statements, Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft also audited and analyzed the Company's risk management system. The auditor did not detect any major weaknesses in the internal control system, Group-wide risk management system or Internal Audit system. The auditor awarded an unqualified certificate in each case.

The Supervisory Board satisfied itself as to the independence of the auditors and received a written declaration to this end. In addition, the Supervisory Board was informed about services rendered in the past fiscal year and the awarding of non-audit-related services.

The aforementioned annual financial statement documents, the proposal for the appropriation of profit and the auditor's report were presented to all members of the Supervisory Board in due time. The chief auditor attended the relevant meeting of the Supervisory Board on March 27, 2019, where he reported on his audits and their results, elaborated on the audit report, and answered the Supervisory Board's questions. Following its own inspection, the Supervisory Board came to the conclusion that the annual financial statements, the combined management report, the consolidated financial statements and the auditor's report gave no cause for objections. The Supervisory Board concurs with the auditor that there are no major weaknesses in the internal control and risk management system, especially with regard to the accounting process. With a resolution on March 27, 2019, the Supervisory Board approved the annual financial statements of United Internet AG, as prepared by the Company on March 22, 2019 and the consolidated annual financial statements according to IFRS for fiscal 2018, also prepared by the Company on March 12, 2019. The annual financial statements are therefore adopted pursuant to Sec. 172 AktG. The Supervisory Board supports the proposal of the Management Board concerning the allocation of retained earnings.

Audit of the Management Board's report on relations with affiliated companies

The Management Board presented its report on relations with affiliated companies (Dependent Company Report) for fiscal year 2018 to the Supervisory Board in good time.

The report prepared by the Management Board about relations with affiliated companies was also audited by the external auditors. The following certificate was awarded in this respect:

"On the basis of our statutory examination and evaluation, we can confirm that

1. the details made in the report are accurate,
2. the Company was compensated adequately for each transaction mentioned in the report,
3. in the case of those measures mentioned in the report, there is no evidence to suggest a significantly different assessment to that provided by the Management Board."

The external auditors submitted the audit report to the Supervisory Board. The Dependent Company Report and Audit Report were made available to the Supervisory Board in good time. The Supervisory Board reviewed the Management Board's Dependent Company Report and the Audit Report. The Supervisory Board performed the final review at its meeting on March 27, 2019. The external auditors attended this meeting and reported on their audit of the Dependent Company Report and their main audit results, explained their Audit Report, and answered questions from members of the Supervisory Board. On the basis of our final examination, we concur with the Management Board's Dependent Company Report and the Audit Report and have no objections to raise regarding the Management Board's declaration at the end of the Dependent Company Report.

Reporting for the Sustainability Report

United Internet AG submitted a non-financial statement for fiscal year 2018, which will be published as part of a separate non-financial report (Sustainability Report).

The Supervisory Board of United Internet already discussed the Sustainability Report during the course of the year. As part of its own final review, the Supervisory Board dealt in detail with the non-financial statement in its entirety. The Supervisory Board scrutinized the contents of the non-financial statement and discussed it at length with the Management Board, whose members were on hand to answer additional questions and provide further information. Following its own review, the Supervisory Board came to the conclusion that the non-financial statement did not give rise to any objections.
