

## AD-HOC ANNOUNCEMENT PURSUANT TO ARTICLE 17 MAR

### United Internet terminates share buyback program

**Montabaur, September 13, 2021.** By ad-hoc announcement of August 6, 2021, United Internet AG announced that it would launch a share buyback program in a volume of up to EUR 160 million. The program started in August 2021 and was to run no longer than until April 30, 2022. United Internet AG's Management Board resolved to prematurely terminate the share buyback program as of the end of September 13, 2021. Under the share buyback program, United Internet AG bought back, until September 10, 2021, a total of 514,972 shares at an average price of EUR 36.35 per share, corresponding to a total volume of EUR 18.7 million. United Internet AG thus currently holds a total of 7,284,109 treasury shares (representing approximately 3.75 % of the share capital with 194,000,000 shares).

Further details can be found on the website of United Internet AG ([www.united-internet.de](http://www.united-internet.de)) under the section "Investor Relations – Share – Share Buyback".

### About United Internet

With over 26 million fee-based customer contracts and more than 39 million ad-financed free accounts, United Internet AG is a leading European internet specialist. At the heart of United Internet is a high-performance "Internet Factory" with approx. 9,900 employees, of which around 3,200 are engaged in product management, development and data centers. In addition to the high sales strength of its established brands (such as 1&1, GMX, WEB.DE, IONOS, STRATO, and 1&1 Versatel), United Internet stands for outstanding operational excellence with around 66 million customer accounts worldwide.
