UNITED INTERNET

Creating a strong #4 player in the German telco market – Strategic Combination with Drillisch AG

May 12, 2017
DISCLAIMER

This presentation is for information purposes only. It is neither an offer to purchase nor a solicitation of an offer to sell shares of United Internet Aktiengesellschaft ("United Internet-Shares") or of Drillisch Aktiengesellschaft ("Drillisch-Shares"). An offer to purchase Drillisch-Shares is made exclusively on the basis of the terms and conditions contained in the offer document.

The Takeover Offer is implemented solely in accordance with German law, in particular the provisions of the WpÜG, and certain applicable securities law provisions of the United States of America namely Rule 14d-1(c) under the U.S. Securities Exchange Act of 1934, as amended, including relevant provisions allowing purchases outside of the Takeover Offer. There will be no implementation of the takeover offer according to the provisions of other legal regulations.

Announcements or information in this presentation may contain forward-looking statements. Such statements do not represent facts and are characterised by words such as "expects", "believes", "estimates", "intends", "seeks", "plans", "anticipates", "potential", including the negative thereof, or words of similar meaning about the expected future business of United Internet Aktiengesellschaft or any other person. Such statements express intentions, opinions or current expectations and assumptions, for example with regard to the potential consequences of the Takeover Offer for United Internet Aktiengesellschaft, Drillisch Aktiengesellschaft, or shareholders of United Internet AG or Drillisch Aktiengesellschaft. They are based on the current expectations and are inherently subject to risks, uncertainties and changes in circumstances. These expectations or any forward-looking statements could prove to be incorrect, and outcomes usually cannot be influenced by the United Internet AG or the persons acting jointly therewith pursuant to Section 2 para. 5 WpÜG. It should be kept in mind that actual events or consequences may differ materially from expectations.

This presentation is not intended for dissemination, dispatch or distribution, even in extracts, in jurisdictions in which such dissemination, dispatch or distribution would constitute an infringement of the respective law.
TRANSACTION OVERVIEW – KEY HIGHLIGHTS

- United Internet AG and Drillisch AG announce the combination of 1&1 Telecommunication SE with Drillisch AG by way of a contribution-in-kind
  - Creating a strong #4 player in the German telco market with revenues of >€3.2bn and more than 12 million subscribers¹
  - Expected pro-forma EBITDA 2017E of the combined entity of c. €630-640mm
  - Significant value creation opportunity with expected run-rate EBITDA synergies increasing from 2018 onwards to c. €150m p.a. in 2020 and to c. €250m p.a. by 2025

- Transaction will be executed in two steps – valuation of 1&1 Telecommunication SE agreed at €5.85bn
  - Drillisch AG acquiring a 7.75% stake in 1&1 Telecommunication SE by issuing 9.1m new shares from its authorised capital (capital increase by way of contribution-in-kind no. 1)
  - The remaining 92.25% stake will be transferred post Drillisch AG’s EGM (July 25, 2017) approving the creation of additional 107.9m shares (capital increase by way of contribution-in-kind no. 2)

- In parallel United Internet AG is announcing its intention to launch a cash offer of €50 per share to Drillisch AG’s shareholders
  - 8.2% premium to Drillisch AG’s 3m VWAP of €46.20²

- Post full transaction United Internet AG will hold a stake of at least 72.7% in the combined Drillisch/1&1 business
- Supervisory Board of United Internet AG as well as Drillisch AG’s Management and Supervisory Board are supportive of the transaction

- Closing of full transaction expected in Q4 2017, subject to approval by Drillisch’s EGM and clearance by the German Federal Cartel Office (“Bundeskartellamt”)

Note: To be confirmed by BaFin upon publication of the offer document
¹ Based on 2016 reported figures; ² As of May 11, 2017
United Internet and Drillisch are creating an integrated and powerful telecommunications provider with long-term access to future-proof broadband and mobile infrastructure.

**Combination of Two High-Growth Mobile Players into One Full-Service Provider**

- Well-known and trusted brand
- Track record of strong growth
- Successful focus on powerful online sales channels
- Best-in-class customer service and satisfaction
- Broad product portfolio of fixed broadband and mobile products

**Strong #4 Player in the German Telco Market with…**

- Efficient utilization of network capacities available to Drillisch through TEFD contract
- Infrastructure utilization of affiliate company 1&1 Versatel (second largest fibre-optic network in Germany) through Drillisch sales channels
- First-class product and service quality
- Great value for money
- Leading online sales channels complemented by shop network across Germany
- Broad product and brand portfolio
- Significant market share in the German fixed broadband and mobile market

- Secured long-term access to future technologies
- Flexibility through multi-brand strategy
- Track record of strong growth
- Combination of successful online and offline sales channels
DRIVING THE NEXT LEVEL OF CONSOLIDATION IN THE GERMAN TELCO MARKET – CREATING A STRONG #4 PLAYER

1&1
- Revenues: €2.5bn\(^1\)
- Subs: 8.7m\(^1\)
  Previous acquisitions:
  - versatel
    (mass market)
  - freenet
    (broadband customers)

Telefonica Deutschland
- Revenues: €0.7bn\(^1\)
- Subs: 3.4m\(^1\)
  Previous acquisitions:
  - yourfone
  - eteleon
  - The Phone House
  - VICTORVOX

Expected pro-forma EBITDA 2017E of c. €630-640mm

\(^1\) Based on 2016 reported figures

Combined Rev.: €3.2bn\(^1\)
- Subs: >12m\(^1\)

\(\ldots\)
COMBINATION WILL LEAD TO SIGNIFICANT SHAREHOLDER VALUE CREATION

1. Creating a strong #4 player in the German telco market
   - The largest MBA MVNO in the German telco market and number three in fixed broadband
   - Powerful combined online and offline distribution platform
   - Diverse brand portfolio covering all relevant segments of the German market

2. Significant synergy potential
   - Efficient utilization of existing MBA MVNO contract
   - Advanced mobile product portfolio and cross-selling
   - Joint procurement and efficiency of combined operations

3. Superior growth prospects
   - Two fastest growing German mobile players join forces translating into attractive top-line growth levels
   - Strong and growing free cash flow generation

4. Operational excellence
   - Best-in-class product quality and customer service underpinned by several awards (e.g. PC Magazin “Bester Internet-Provider 2016”, Die Welt “Service-Champions 2016”, TÜV Saarland “2016: Kundenurteil Preis/Leistung Sehr Gut”)
   - Combining two lean organizational structures and leveraging best practices and scale
Full access to cutting-edge network technologies at attractive terms for Drillisch and 1&1 creates significant synergies and growth opportunities for the combined company.

Two main growth drivers:

1) Expected growth of network capacity in Germany by more than 50% p.a.¹
2) Drillisch share of Telefónica network capacity increasing to up to 30% by 2020 with option to extend the contract to 2030

¹ Source: Telefónica
KEY SOURCES OF EXPECTED SYNERGIES
(POST SUCCESSFUL COMPLETION OF FULL TRANSACTION)

- Expected one-off implementation costs of c. €50m
- Synergies from 2018 onwards
  - c. €150m p.a. expected in 2020
  - c. €250m p.a. expected by 2025

- MBA MVNO contract
  - Efficient utilization of existing, legally contracted network capacities by Drillisch from TEFD

- 1&1 Versatel network
  - Expansion of product portfolio through secured access to future technologies
  - Benefitting from attractive purchasing terms by combining volumes
  - Infrastructure utilization of affiliate company 1&1 Versatel (second largest fibre-optic network in Germany) through Drillisch sales channels

- Marketing & brands
  - Increased efficiencies in marketing and brand management:
    Streamlining of brand portfolio and leveraging powerful 1&1 brand

- Procurement
  - Improved joint purchasing conditions, e.g. for hardware, IT infrastructure and other services

- Cross-selling
  - Selling 1&1 fixed broadband products in Drillisch shops
- Post closing of the full transaction (capital increase II) and subject to Supervisory Board approval, the management team of the combined company is planned to consist of Ralph Dommermuth, Martin Witt and André Driesen
- Vlasios Choulidis is expected to leave Drillisch’s Management Board post full transaction and join the Supervisory Board of the combined company
CONTRIBUTION OF 1&1 TELECOMMUNICATION SE INTO DRILLISCH AG
– KEY PARAMETERS

Transaction terms
- 1&1 Telecommunication SE valued at €5.85 billion on a debt and cash free basis
  - 1&1 Versatel’s Mass Market customers will be part of the transaction perimeter
- Drillisch is valued at €50 per share implying a total equity value of €3.0 billion on a fully diluted basis

Listing & dividend policy
- Drillisch remains listed post full transaction with United Internet AG as main shareholder (≥72.7%)
  - Provides current Drillisch AG shareholders with an opportunity to fully participate in future synergies
  - No Domination and Profit/Loss Transfer Agreement planned between United Internet AG and Drillisch AG
- Drillisch intends to implement a shareholder friendly dividend policy

Future governance
- Post closing of the full transaction (capital increase II) and subject to Supervisory Board approval, the management team of the combined company is planned to consist of Ralph Dommermuth (CEO of United Internet AG), Martin Witt (CEO of 1&1 Telecommunication SE) and André Driesen (CFO of Drillisch AG)
- Vlasios Choulidis is expected to leave Drillisch’s Management Board post full transaction and join the Supervisory Board of the combined company

Closing
- Closing of full transaction subject to clearance by the German cartel authorities as well as Drillisch’s EGM approval
ANNOUNCEMENT OF INTENTION TO LAUNCH A VOLUNTARY CASH OFFER OF €50 PER DRILLISCH AG SHARE

### Transaction Structure
- All cash voluntary takeover offer pursuant to sections 29 et seq. WpÜG for the acquisition of all shares held by the shareholders of the Drillisch AG
- Offer price of €50 per Drillisch share, which represents a 8.2% premium over Drillisch’s 3-month VWAP\(^1\)
  - All-cash structure enables Drillisch’s investors with a short-term investment horizon to exit at an attractive price in line with all-time high
  - Investors with a long-term investment horizon can stay invested and benefit from the significant synergy upside of the combined company
- No minimum acceptance threshold

### Timing
- 12. May 2017: Announcement of intention of public offer for Drillisch
- Mid May 2017 (expected): Filing of offer documentation with BaFin
- End of May 2017 (expected): Publication of offer documentation
- End of June (expected): End of offer period

### Other
- Takeover offer under the condition of approval by the German Federal Cartel Office (“Bundeskartellamt”)

---
\(^1\) Calculated based on Drillisch’s 3-month VWAP of €46.20 as of May 11, 2017
